Re: Installation of flour silo system, Dimitria Delights Baking Company, 81 Creeper Hill Road, Grafton, MA 01536

Dear Mr. Colorio:

At its meeting on Monday, October 27, 2008, the Planning Board considered the request for a minor modification to a Site Plan for the above referenced property in Grafton.

After review of the submitted material and consideration of the information presented at the meeting, the Planning Board voted to approve the installation of a flour silo system as a minor modification to the approved Site Plan. The approval is specifically for the exterior installation of the silo and accessory equipment as described in your letter to the Planning Board on October 16, 2008 and shown on the accompanying site plan. Please be advised that the silo will need to conform to all requirements (specifically height) of the Grafton Zoning By-Law.

Should you have any questions or require additional information, please contact me.

Sincerely,

Stephen R. Bishop
